

## Tattletale Tilly (Attitude Adjusters)

Meet the girl who knows all the rules . . . and makes sure everyone else follows them! Tattletale Tilly, the youngest OToole, made sure those around her kept every rule. From her big sister Milly to her big brother Tom, Tilly kept them in line with her threats to tell Mom. Little Tilly is such a squealer, both at home and at school. After a while her family has had enough of her self-righteous tattling. When her dad tells her the tattling must stop, Tilly realizes she needs help being more kind and merciful to others. The whole family will love this rhyming read-aloud book from the Attitude Adjusters series. These stories help kids discover what it means to be more like Jesus in their attitudes and actions. Joanna Weaver is a pastor's wife and the mother of John Michael and Jessica. She loves working with children using music, drama, and story telling. Joanna lives with her family in Whitefish, Montana. As art director for several companies, Tony Kenyon won numerous awards for his advertising and television work. He is currently a freelance illustrator living in an eighteenth-century house overlooking Winchester Cathedral in England.
