GENRE: Childrens Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen))

**Book 2: Search for the Ender Dragon** Hank the Villager has lead a rather exciting life in the last month. In his last diary, Hank went around all of Overworld and collected a ton of different monsters and other mobs. In his travels Hank has met and befriended spiders, skeletons, creepers, blazes, magma cubes, snow golems, iron golems, and even zombies of every type! While this may sound like an exciting note to end on for any other villager, Hank still wants more. What does Hank want exactly? Hank craves to have the ultimate monsters to himself: the Ender dragon. Hank realizes that he wont be able to do something this crazy by himself, so he gets some of his monster friends, and his villager friend Sara, to help him along the way. In Hanks second diary he will seek help from a mysterious witch, an old written myth, and his friends. He will travel all over Overworld, into the Ender world, and even into The End. While this task might be impossible for anyone else, theres something special about Hank that helps him get through all of this...something he didnt even know about himself until now. Will Hank be able to travel through all three worlds unharmed? What kinds of creatures will he see in his travels? And will he even be able to capture the Enderdragon and leave The End alive? Read The Diary of Hank the Villager: Search for the Ender Dragon to find out!

**Book 3: Ender Dragon Master** Hank the Villager is back in his third diary, Hank the Villager 3: Ender dragon Master. Hank has wanted to have one of each monster since he was just a little Villager. He was able to do this in his first diary, but he still wanted more. In his second diary, Hank and a few of his monster friends went on a journey to find an Ender dragon. Without anyone knowing, Hank stole an Ender dragon egg

from The End. Now the egg has hatched and Hank has a baby Ender dragon on his hands. At first, Hank has no idea what he should do with the baby Ender dragon. Should he leave his village and his friends to raise and train it, or should he get rid of the baby Ender dragon before it causes any problems? Training an Ender dragon would take a lot of hard work, and Hank hasn't exactly trained anything this scary before. No matter what Hank decides, there will definitely be an adventure that comes his way. Does Hank have what it takes to be the Ender dragon Master that he read about in the myth of Fabula, or is it someone else? Will the Ender dragon become Hank's friend or foe? What will the other Villagers think of the Ender dragon? All of these questions and more will be answered in Hank's third diary. Authors Note: These short stories are for your reading pleasure. The characters in this Minecraft Adventure Series such as Steve, Endermen or Herobrine...etc are based on the Minecraft Game coming from Minecraft /TM & 2009-2013 Mojang / Notch
