

Tito the Magician

Manu, the magician at Circus Rondo, is fantastic. With a little magic powder, a wand, and a few words, he can pull amazing things out of his top hat. Tito, the little clown, would love to do that kind of magic. But when he tries with his own little brown hat, the magic doesn't work at all. Maybe it's because he's uncertain and shy. What would happen if Tito were to ask Manu to show him how the trick really works? An endearing picture book about magic and daring, for children aged 3 years and up.
