

A face to face with God: A new name

Life on earth is like walking a long and narrow fallen tree trunk across a rapid, but confident in knowing that God is holding your hand. This autobiography is based on my life's journey, looking back in assessing the mistakes I have made, and watching myself grow towards maturity, through the many changes and obstacles in life. In my adulthood, I did get to understand the purpose for me being here, my potentials, knowing why God created me for His glory, presenting me with an insignia ring on my left middle finger and giving me a new name. Making the right choices in life, willing to make difficult and unpopular decisions caused me to attain positive results without negative side effects. One of many lessons to learn from our ongoing tribulations is by trusting in the one and only God, He at times guided me through many dreams and visions. Remember, that man is only temporarily planted on planet earth and awaiting a new world to come. One of many lessons to learn from our ongoing tribulations in this world is that we are only temporary on planet earth awaiting the new world to come.
