

## Misslissins Purple Hair Story Sampler: Chapter 3 of 11 (Misslissins Purple Hair Story Samplers)

MPH author says: Have a preschooler in your life? MPH: based on oral story I created for my 3 & 1/2 year old granddaughter with simple understandable plot. My brain then reached for nonviolent events as exciting and characters as colorful as I could imagine to help her, and all of us, cope with that every so often, horribly inevitable, end of a no-nap-day melt-down. During telling we spun off into little discussions, such as solving problems, stereotypes, change, self-concept. My read-aloud for all eleven chapters is about 20 minutes (depending on reading speed and discussions) Location: Black Hills of western South Dakota. Characters: Emily, a young girl. Misslissin, young female ostrich wanting hair. GGeorge T. Rorge, charismatic male grasshopper with surprising vocal chords and ranch-poet background. Grandma, acrobat and push-up champion. Grandpa, tapdancer and photographer. For whole book, search Kindle Store for Misslissins Purple Hair The Whole Story. Hope you get a kick out of it.
