

The Stained Glass Heart

People are like stained-glass windows; they sparkle and shine when the sun is out, but when the darkness sets in, their true beauty is revealed only if there is a light within. ~ Elizabeth Kubler-Ross

Anna stands alone, among the ruins of her shattered world. Her sky had fallen. Scared, confused, and exhausted she presses on. When her soul is laid bare, how can she be made whole again? In her dark times, she must find the courage to seek guidance and support from the one true source of abundant light and love.

Author Maureen Ann Flaherty harnesses the raw emotions of fear, self-doubt, hope, joy, and humor to tell a captivating tale of self-discovery. Rich with stunning imagery, *The Stained Glass Heart* is an inspirational story of the healing power of God's love and is applicable to anyone weighed down by the stresses and hardships of life. Empowering Anna to face her fears and burdens, *The Stained Glass Heart* tells of the rebuilding of her world, where every broken piece can be made beautiful, and ultimately reveals the treasure of her soul. As you walk alongside Anna, you will discover the strength, beauty, and resilience of your own spirit. This beautiful allegory reminds you that you are treasured and loved. Most importantly it will help you remember that even in your brokenness, you never walk alone. -
