

Princess Zoey and Prince Joey and Bud

Princess Zoey and Prince Joey and Bud is the delightful story of a wonderful golden retriever, Zoey, and her owner, Dr. Burton Waisbren (Bud) who have a unique relationship, mostly because Zoey talks. Zoey has met a coyote and is struggling with the ups and downs of having a boyfriend, and Grandpa Bud helps her with her problems. We also learn how Zoey gets bathed, eats Bud's hearing aid, saves an injured bird, and meets her cousins, Bud's great-grandchildren. As the author so eloquently writes, This book is for dog lovers who do talk to their dogs, for parents who as I did, came home after a hard days work and then read to their children before putting them to bed, for Grandparents who want to bond with their grandchildren by tearing them away from television and reading to them, and above all, for children whose horizons are beginning to widen as they read books such as these.
