

Fart Tart Freddy (Volume 1)

A young Fartin Martian named Fart Tart Freddy has never felt good enough to try out for the Fart Fighter spaceball team. He has never met a magical fart fairy. He has never battled an evil alien butthead named Lord Thunder Butt who rules with an iron fart. Freddy is only used to being bullied at Fart Fighter Academy by Mean Methane Mike. But that is all about to change when someone or something starts mysteriously stealing the city of Flatulantis pet poo-dles. Its up to Freddy to go on a smell-raising adventure to a secret island called Mount Poot-a-Lanka where magical and strange creatures live. He and his buddy Bubble Butt Brandon come face to fanny with the evil Lord Thunder Butt. With smarts, a big heart, and maybe something magical and tart can he get to the bottom of things or get blown away.
