

## Robot Stories For Children: Early Learning Bundle (Beginner Reader - Level 1)

This Robot collection contains four beginner readers, bundled together for big savings. Robot Goes On A Trip In this Level 1 Beginner Reader, Robots grandparents call and invite him to visit. Robot cant wait! Hes never been on a plane before. Will his mom let him pack all his toys? Your child will love this fun easy to read story. This beginner reader contains mainly kindergarten and first grade words with a couple of second grade words. Get ready to give your child the right tools to gain confidence and reading skill. This is also a great read if your little one is nervous about going on an airplane for the first time. Robot Gets A Sister Robots parents have a surprise for him. Hes about to get a baby sister. But Robot is concerned that they wont have time for him anymore. Your children will love Robot and his active imagination whether they are learning to read or you read it to them. Robot Gets A Kite Beginner Readers are a great way to build confidence in your early learner. Your child will read with ease in this story that uses only Kindergarten sight words. In this installment of the Robot series we see Robot beg his parents for a new toy. At the toy store Robot chooses a new expensive jet, but his mom suggests a kite instead. Will Robot learn to like his new kite, even though what he really wanted was a jet? Robot Wants A Rocket This childrens book is filled with bright colorful pictures. Robot Wants A Rocket uses only kindergarten sight words. Your beginner reader will love being able to read this book all on their own. In this story a young robot wishes to travel to the stars. All he wants is a rocket, but his Dad says no. Will the robot find a way to make it to the stars?
