

Castle Terrible

There was once a King of a faraway country who was a tyrant. In fact, he was such a tyrant, he commanded a Brook to leave his garden. The Brook did not obey, so his servants buried it. Naturally disastrous consequences followed. The Princess gets help from a Good Gray Woman and some wood sprites to save the day. Alden is best known for his classic Christmas story, Why the Chimes Rang, but he wrote other modern parables for children. This is a collection of seven of his best childrens stories.
