

Belles Friendship Invention (Disney Storybook (eBook))

It's the first annual Invention Convention, and Belle can't wait to see the imaginative inventions in the town square! When Belle sees a crowd gathered around a blue ribbon-winning invention, she volunteers to help the inventor girl named Simone demonstrate how her machine works. But when Simone's invention, a paper-making machine, starts spitting out paper uncontrollably, can Belle help her new friend find a use for all the extra paper?
