

OECD Factbook 2011: Economic, Environmental and Social Statistics

OECD Factbook 2011 is a comprehensive and dynamic statistical annual with more than 100 indicators covering: Agriculture Economic production Education Energy Environment Foreign aid Health and quality of life Information and communications Innovation Labor force Population Public finances Trade and investment. The Factbook provides data for all OECD member countries, as well as selected nonmember countries, and area totals. For each indicator there is a short introduction followed by a detailed definition of the indicator, comments on comparability of the data, and a list of references for further information. A table and graph illustrate the key message and a dynamic link (StatLink) for each table directs the user to a web page where the corresponding data are available in Excel format.
