

The Finders

When Rosie is given a parcel to post by a kindly old man she can't possibly guess that he is really an evil Djinn. The parcel contains the Djinn Star and it can change whoever has it, giving them extraordinary powers but also making them evil. She is captured by the Finders who are searching for the Djinn and they try to help her find him and return the parcel before it's too late. It's a race against time. A magical story filled with suspense, humour and danger.
