

The Dragon Of Prali

For years, the inhabitants of Prali, a small Italian mountain town near the French border, lived in peace. They believed that danger would never come to them. However, deep within a mountain cave, a one-of-a-kind dragon feasts on rats and mice living within the cave. While he grows, he discovers this is not enough. He craves the taste of cow, oxen, and humans. The last of his kind, the dragon launches a brutal attack on the people of Prali. After the terrorizing havoc of the dragon. Bernard, a young Franciscan monk; Mary, a misplaced English girl; and the arrogant knight Leonardo. Join forces to eliminate the dragon and bring peace to the people of Prali. Only the courage and strength of the three dragon hunters will save the world from destruction. As they travel through the mysterious forests, and deep caverns of the region. They discover the secrets of the hidden lair and an underworld that time has forgotten. They journey to the farthest reaches of the dragons lair to face their ultimate destiny.
