

Dragons at Dessert Time: Magical Series Chapter Books for Kids (Fairy Tales & Magical Adventures Book 3)

In the sequel to bestselling author Merriweather Hopes Magical Sweets in Story Time, Jinn, Stefan, and Kaia are joined by two new companions in their quest to save magic! Stefans best friend Adam has been feeling left out because Stefans been spending all his time with Kaia (he thinks Kaia is Stefans girlfriend!) so Stefan and Kaia decide to tell him about all the secret adventures theyve been having. Little do they know, but Adam has a magical item of his own a little dragon figurine and when Jinn shows up and turns it into a REAL dragon named Fire, the friends very quickly find themselves on another adventure. Now time is running out, and Stefan, Kaia, Jinn, Adam, and Fire have to travel through story time in search of the dragons lair to try and reunite the last surviving dragons before they all disappear forever! In this next installment of the magical series: Jinn began to chant her spell Magical universe hear my call, Transport us through the vortex wall, Get us safely from here to there, To rescue the Princess from Brother Grimms lair As she finished speaking, she raised her right hand and sent up a bright red ray of light out of her fingers. It formed a red cloud and when Jinn clicked her fingers it started to rain. Hundreds of drops of golden liquid began to fall on them. Kaia watched as the drops hit her arm and the places where it touched her, began to disappear. It was almost as if someone was using a giant eraser to rub her out. She looked around and saw that everyone else seemed to also be disappearing. The next minute, a huge flash of golden lightning shot out of the clouds. It hit the floor just in front of where they were standing. This opened up a huge swirling hole in the ground. It was like when you pulled the plug out the bath and all the water swirled around as it ran down the drain. Only this was more like a volcano because the colors were red and

gold like hot lava. Get ready. When I say so, jump into the vortex, Jinn told them. Jump! shouted Jinn a few moments later. The last thing Kaia saw as they all jumped into the vortex was Stefans huge grin. Never a dull moment when Jinns around, she thought.
