

The Fossil Hunters (Orca Echoes)

Shelley arrives at her aunt and uncles cottage on Grey Rocks Lake and is excited to see her cousin Kyle. Her excitement quickly turns to disappointed when she discovers Kyles friend Marcus is staying at the cottage too. Shelley feels left out of the boys games. Then the fossil she found at the beach goes missing, and she thinks Marcus took it. But when Topper, Kyles dog, loses her ball, Shelley and Marcus are given an opportunity to become friends.
