

## David's New Glasses: Hey I Can See

This Original Cajun Story is based on the fear of wearing or getting new glasses. The main character, David, simply cannot see. He talks with all of his friends and family for advice but refuses to take care of the situation. Finally, after his eye sight gets so bad, he finally gets angry enough with himself and the situation that he decided to take care of his vision and get new glasses. But in the end, he is in for a pleasant surprise when he goes to school for the first time with his new glasses.
