

Story of a Can

This is the story of a tin can that had many different owners. In the beginning, she was just a can of tomatoes, but then she was used as a ball, a tin cup, and a plant pot. Every time she had a new function, she found out new things about herself that made her really happy. Story of a Can is part of the Emotional Stories series and is a story about excitement. The book contains a collectible fact sheet for parents and educators, and an activity page for children.
