

## Polly Olivers Problem

Kate Douglas Wiggin was an American childrens author and educator. She was born in Philadelphia of Welsh descent. She started the first free kindergarten in San Francisco in 1878 (the Silver Street Free Kindergarten). With her sister in the 1880s she also established a training school for kindergarten teachers. She was also a writer of childrens books, the best known being *The Birds Christmas Carol* (1887) and *Rebecca of Sunnybrook Farm* (1903). *Polly Olivers Problem* has been thought to have been inspired by Kates own life. Like Polly, Kates mother ran a boarding house, and like Polly, Kate was a storyteller and teacher. When her mothers health takes a turn for the worse, the family doctor prescribes a change of climate. Polly must assume the responsibility for her mothers care and relocate the family to San Francisco, while trying to fulfill her dream of becoming a kindergarten teacher.
