

Southern Pacific Steam Switchers of the Pacific Lines

Fascinating pictorial history of the Southern Pacifics steam road switchers on the lines west of and including El Paso. The book is divided into classes (0-6-0, 0-8-0 and shop switchers) and each locomotive is informatively captioned. Illustrated throughout with crisp black and white photos, most of which are rare and had never before been published. With rosters and maps. Includes list of shop switchers carried on the Maintenance of Way roster. 98 pages.
