

Sir Licksalot & The Arctic Fools

Unsure if it is a sizzling heat wave or global warming, the boys decide to have an outdoor sleep over. Bobby loses his temper and storms out of the tent to cool off next to the magical fountain. Without thinking of the consequences, he makes a remark that causes everyone, including Sir Licksalot, to become vulnerable to extreme conditions. The boys make a priceless discovery while Sir Licksalot fearlessly leads them into a few pickles around every slippery and unpredictable corner. This fast paced epic adventure will melt your heart, make you sweat, and give you goose bumps. Literary brilliance and captivating content - FamilyReviewCenter
