

The Condition of Education 2010

The Condition of Education 2010 summarizes important developments and trends in education using the latest available data. The report presents 49 indicators on the status and condition of education, in addition to a special section on high-poverty schools. The indicators represent a consensus of professional judgment on the most significant national measures of the condition and progress of education for which accurate data are available. The 2010 print edition includes 49 indicators in five main areas: (1) participation in education; (2) learner outcomes; (3) student effort and educational progress; (4) the contexts of elementary and secondary education; and (5) the contexts of postsecondary education.
