

You're Here for a Reason

You're here for a reason. If you think you're not I would just say that perhaps you forgot . . . a piece of the world that is precious and dear would surely be missing if you weren't here. Every person matters. Here, national-bestselling and beloved author Nancy Tillman shows readers how each of us fits into life's big picture, and how the world would be incomplete without you in it.
