

For the Love of Prudence Possum

A terrifying bush fire destroys the animals homes and forces them to escape to another valley. All the animals band together to help each other escape. After the escape, Prudence Possums nightmares haunt her as they remind her of the fire she and her family nearly escaped. But these nightmares slowly begin to fade one day when the Prince spots Prudence in a fruit tree and is smitten with her on sight. This book is filled with twists and turns and a whole zoo of animals. About the Author L. T. Hinchcliffe ne Coomber was born in England but lived most of her life in Australia.
