

# My Brother In My Mommys Tummy

Ryan will be having a sibling soon. He thinks it's going to be a brother. He takes you through the nine-month journey of his brother's growth. Starting as a size of an apple seed at one month, Ryan's brother is half that of Ryan's size at ninth month. The amazing journey of a baby's development in mommy's tummy will give your children a valuable knowledge about what's actually going on in there.
