Pandas Path

Set against the face of the Himalayan Mountains, a young girl is placed in the path of a Giant Panda. After learning to speak one anothers language by drinking from a rare and sacred river, the endearing pair journey to return a wooden leg lost by a boy named Quon. Along the way, the girl and the panda discover the ancient power of the waters that flow around them, as Quon under the tutelage of a Golden Langur moves ever closer to his own destiny. It is better to travel well, wrote the Buddha, than to arrive. Filled with striking creatures and enlightening encounters, Pandas Path transports the reader to a world of destiny, purpose and wisdom.
