

## Vics Fish and Chips (Reading Corner Phonics)

The series aims to support children who are learning to read through phonics, giving them the opportunity to read simple words in print. This book of no more than 100 words, focuses on phonemes of more than one letter plus simple polysyllabic words and the four consonant digraphs. In this story, Vic is looking forward to eating his fish and chips...and so is Mog the cat!
