

Lunch Will Never Be the Same! #1 (Phoebe G. Green)

Gently humorous black-and-white illustrations pair nicely with the text. With all the foodies out there, this delightful series deserves a long shelf life and many more courses.--Kirkus Reviews Fans of Junie B. Jones and Judy Moody . . . will enjoy this.--School Library Journal Age-appropriate humor via an outspoken, lovable, take-charge narrator. Dreidemy's wiggly spot illustrations, meanwhile, supply plenty of nervous energy.--Booklist Phoebe loves her pet fish, Betty #2 (named after Betty #1, may she rest in peace), making lists, and her best friend Sage. But when Camille, a tall French girl, arrives at school with unusual lunches, Phoebe's friendship with Sage doesn't seem so important anymore. Thanks to Camille, Phoebe discovers goat cheese, butter lettuce, and cilantro (although she's convinced that's not a real word). She's determined to get invited to her new friend's house for dinner to see what other mysterious food Camille eats. But what about Sage? Can Phoebe make a new friend and keep an old one?
