

## The Two Towers (The Lord of the Rings)

Special collectors film tie-in hardback of the second volume of J.R.R. Tolkiens epic masterpiece The Lord of the Rings. This edition features the complete story with a sumptuous cover design and brand new reproductions of all of Tolkiens original drawings and maps. Frodo and the Companions of the Ring have been beset by danger during their quest to prevent the Ruling Ring from falling into the hands of the Dark Lord by destroying it in the Cracks of Doom. They have lost the wizard, Gandalf, in the battle with an evil spirit in the Mines of Moria; and at the Falls of Rauros, Boromir, seduced by the power of the Ring, tried to seize it by force. While Frodo and Sam made their escape the rest of the company were attacked by Orcs. Now they continue their journey alone down the great River Anduin - alone, that is, save for the mysterious creeping figure that follows wherever they go.
