

The Botters Gang

Beezy Wheezy is an absolute clot! He is a very large dog with gangly legs and knobby knees, and he thinks he is the most handsome dog in the world. He is sadly mistaken! He has a terrible figure with a large dinner bin and a most unfortunate face with a long piggy nose. Not to mention beady eyes, which often have a crafty gleam when he has one of his flashes of inspiration in planning his latest good deed. His great friend Porgy Corgy is a sweet little dog with long dark brown and white fur. She has very short paws and struggles to keep up as Beezy Wheezy bosses her from dawn until dusk, forcing her into an almost permanent state of exhaustion! Now, the biggest blot on Beezy Wheezys landscape (and his life) is Miss Poosa, the cat with long silky fur, bright green eyes and very sharp claws which she often uses to take a swipe at Beezy Wheezy. He tries to avoid her at all costs as just looking at her brings him out in huge lumps and bumps! Instead he often turns to Fiffilles, the dainty little white scrap of a dog who lives next door. She is always trying to console the big duffer, and just the merest glimpse of her makes Beezy Wheezys knees go all saggy, his whiskers tremble and his heart pound. Finally there is Big Bad Bonzo, who often pads along to watch the feverish activity that one of Beezy Wheezys loony schemes generate. He is a stout fellow and fortunately his nerves are very good, meaning he is a strong dog who can withstand most of the mayhem! Start reading and you will find yourself escaping into this crazy and wild world where the impossible is attempted...even if it often ends in complete chaos and confusion on most occasions!
