

Zip, Zip...Homework

Beloved author Nancy Poydar takes a sympathetic look at learning to get organized in this buoyant picture book about homework. Ziiip! Riiip! Cliick! Violet's new backpack is perfect. It has pockets that zip, snap, and strap. It's just what Violet needs to hold her very first homework assignment--or is it? An anxious student discovers that it's more important to tell the truth than to keep it zipped up in this timely tale.
