

## The Witch, the Cat, and the Water Dragon (The Witch and the Cat Book 2)

Will Juliane the Witch and her friends be able to save magic? Juliane is a young witch who has been given the important task of guiding travelers through the magical Forest of Ennyar. A few months before, she had been entrusted with taking a very special egg across the forest. The last magical water dragon has now hatched. As Juliane and the dragon will learn, a dark energy is rising in the forest, but not all is as it seems. Friendship and courage will be required to face the unknown, and help save magic.
