

## Greg and the Barbarian

For a small sixth-grader, Greg Hutchings has a huge talent for annoying Fred Farley, better known as the Barbarian. When the whole school sees Greg's caveman cartoon of the Barbarian, he's in big trouble, not only with the school principal, but also with Fred, who's out to get him. Will Greg and the Barbarian continue their fight or can they learn to get along, before it's too late?
