

The Adventures of Rickie the Cricket & Izzard the Lizard

Rickie the Cricket tells the story of how he, a lizard named Izzard and a bird named Sam ended up on a raft in the middle of the river. Sam the Crane, the bird gets away while the humans sleep on the raft. Rickie escapes with Izzard from the raft only to encounter mean gray crickets that want to harm him. Why are only gray crickets used for fish bait? How did the gray crickets get in a cage to be found in Montgomery, Alabama?
