

## Hamilton Troll meets Whitaker Owl (Hamilton Troll Adventures Book 7)

While listening to the sounds of the night, Hamilton Troll hears something that scares him. He soon discovers that it is a young owl named Whitaker who is being taught by his parents how to hoot. Unfortunately Whitaker needs a lot of practice.

After the lesson is over, Hamilton and Whitaker go for a walk only to discover a large bear entering the area. Worried for their friends who may not be able to get to safety, Whitaker comes up with a daring plan to scare the bear away.
