

AIM SMALL, MISS SMALL

True spiritual maturity is freedom, adventure, fullness of life! To lack it is to miss out on what life could be; to live life incomplete. -Mark Hasenyager You know you're supposed to be progressing spiritually, and you long to live a life where you're not just going through the motions, merely surviving. Christ came to give you an abundant, victorious life; one in which you thrive in a personal relationship with Him, but are you missing the mark? Do you even know what you're shooting for? Aim Small, Miss Small written by pastor Mark Hasenyager uses the clear objectives from God's Word to sight-in spiritual victory; giving you a way to measure, develop and experience the blessings of spiritual maturity. No matter where you are in your spiritual journey, applying the principles in this book will give you the strategies you need, through the power of God, to thrive; bringing Him glory and you victory. Author Bio: Mark Hasenyager is the founding pastor of Outdoorsmen Church in Missoula, Montana, which focuses on breaking down the barriers preventing Montanans from seeking Christ. Mark connects the passion he and Montanans share for the great outdoors with his passion for Christ and making Him known. In March of 2013, Mark founded Multiply Northwest, a church planting center that seeks to develop effective spiritual leaders who will start culturally relevant new works in the Northwest.
