

The Best of The Spirit of Medjugorje: Volume I

In 1981 a beautiful lady appeared to 6 young people in the village of Medjugorje in what is now Bosnia-Herzegovina. She told them that She was the Blessed Virgin Mary, the Queen of Peace, and that She came with a message of peace -peace with God and man. I have come to tell the world that God exists. He is the fullness of life, and to enjoy the fullness and obtain peace, you must return to God. Our Lady has continued to appear since 1981 to give messages to the world of peace, love and joy. She is confiding ten secrets to each visionary (some are chastisements for the world) and promises to leave a visible sign at the place of the apparitions in Medjugorje for all humanity. Today, all but three of the visionaries have daily apparitions. This time, this period of grace, is for conversion and deepening faith. After the visible sign, those living will have little time for conversion. Many books have been written about Medjugorje, but this one is different. It includes not only information about Medjugorje and talks and interviews with the visionaries, but also heartfelt testimonies of those who have been healed and changed through Medjugorje, as well as advice, written from the heart, on how to live the messages. This book is for EVERYONE - all Our Ladys children, Catholic and non-Catholic. If you have not heard about Medjugorje, it will tell you everything you need to know. If you have been following the messages of Medjugorje or have been one of the millions of people blessed to have been there, this book will light your fire all over again.
