

Team Earth Takeover (Ellie Ultra)

When her teacher assigns a new team project for Earth Day, Ellie cant wait to pair up with her best friend Hannah. After all, as a superhero, its Ellies job to save stuff including the planet! When the project becomes more than her super-skills can handle, Ellie uses one of her parents super inventions to create a copy of herself. But when Ellie #2 threatens to take over the project, its up to the real Ellie to bring the project back down to earth.
