

The Werewolf Club Meets the Hound of the Basketballs #4

Whats small and round and smells like knackwurst, and is very, very scary? The Werewolf Club is about to find out! After a stop at the Local Yokel Diner to eat jitterbugs (you dont want to know), the young werewolves are off to Basketball Hall, the ancestral home of their teacher Mr. Talbots uncle, Hugo Basketball. Generations of Basketballs have been cursed by their servants, the peculiar Barrymores, (its so hard to get good help) not to mention by monstrous Hound of the Basketballs. Who better to vanquish the frightful hound, Hugo figures, than a pack of werewolves? So with the moon full (and their bellies full of knackwurst and sauerkraut) our intrepid heroes are once again risking their young lives to rid the world of evil. But what about the haunted pastrami?
