

Protect Our Trees! Learn Why It is Important to Plant New Trees Daily - Environment for Kids - Childrens Environment & Ecology Books

Trees are very useful. They clean our air and they give us some of the things we use daily. But did you know that every time we buy a pad of paper, a tree is cut down? Just imagine how many trees are cut every year to give us what we need! Plant trees today and well show you how! Read this book now!
