

The Moon Inside

Yellow is Ella's favorite color she loves the bright, sunny daytime. But every night, as darkness falls, she becomes afraid. When her mother encourages her to look at the soft glow of the moon and fireflies dancing in the night, and to listen to the chirping of crickets and the gentle rustling of the wind, Ella gradually realizes that nighttime can be something to look forward to rather than something to fear. With sweet, luminous illustrations by Aimee Sicuro, this story will inspire parents and children to welcome the peaceful nature of nighttime into their homes and hearts.
